The Passaic County 200 Club recognizes and deeply appreciates the outstanding efforts of all first responders, Police, Fire and EMS, who apply their expertise during times of crisis and despair. The Officers and Board of Trustees of the Club also recognize that during these crisis events many of the First Responders work hand in hand with each other to achieve a successful outcome and support the heroic actions of the awardees we recognize.

The tradition and criteria established by the Passaic County 200 Club for selecting individuals or Units to receive these awards has always been to identify awardees that have gone above and beyond the scope of what would be expected of them or their peers under the same or similar circumstances. The selection committee relies on the detailed reports and supporting materials submitted to us via the Chief or Head of the Department submitting the nomination in order to evaluate whether the nominee/s meet our criteria for selection.
